

**Hemp Bodycare & Hemp Food**

**One of the UK's Leading Ethical Companies**

**Yaoh's unique range of bodycare products all contain organic hemp seed oil and are made fresh in small batches, ensuring that the active botanical ingredients are at their optimum, making some of the freshest natural bodycare products on the market.**

## **YAOH PRODUCTS ARE:**

- **Free from Palm Oil - we use other more sustainably produced oils.**
- **Free from parabens - Parabens are found in most other bodycare products and act as preservatives. Recently there have been scares associating parabens with breast cancer tumours.**
- **Free for Sodium Lauryl Sulphates - Another common ingredient in mainstream bodycare linked with cancers and also a known skin irritant. Yaoh avoids the use of SLS in its ingredients in all its products.**
- **Free from chemical stabilisers and preservatives. Yaoh products are made fresh and do not require the addition of these chemicals to keep our products stable.**
- **Rich in organic hemp seed oil - The hemp seed oil is absorbed directly into the skin and works on a cellular level both repairing and preventing damage.**
- **Rich in essential oils and herbal extracts.**
- **Made fresh every six to eight weeks - Yaoh bodycare products are made in small runs to ensure optimum freshness at all times.**
- **Vegan, not tested on animals, organic ingredients where possible. All our products carry The Vegan Society Trademark.**
- **Our Shampoo, Shower Gel and Sunblock have all been 'Best Buys' in Ethical Consumer magazine and have topped the ethiscore ratings on four separate occasions, coming above all the other leading natural bodycare ranges!**
- **Yaoh is one of the UK's leading ethical companies.**
