

PRODUCT INFORMATION

BODYCARE

Yaoh's unique range of bodycare products all contain organic hemp seed oil and are made fresh in small batches, ensuring that the active botanical ingredients are at their optimum, making some of the freshest natural bodycare products on the market.

For the Bathroom...

Shampoo – A gorgeous combination of lavender, rosemary and thyme makes this shampoo ideal for men and women alike.

Conditioner – A superb conditioner rich in hemp oil, aloe vera and essential oils, leaving a genuinely natural shine. Suitable for all hair types.

Shower Gel – Free from harsh chemical additives and preservatives this is ideal for regular use for an all over body experience.

Bubble Bath – Richly scented with coconut and mango, reminiscent of the tropics, this bubble bath is popular with everybody.

Liquid Soap – A seductive combination of raspberry, cranberry and jojoba gives this soap a delicate citrusy tang.

For the Skin...

Lip Balms – Available in five fantastic flavours including Coconut, Spearmint, Mango, Blueberry, and Strawberries and Cream. Made from candelilla wax and hemp seed oil

Moisturisers – Available in three flavours, Original (lavender, thyme and peppermint), Coco Bean and Papaya. These moisturisers are 100% free from chemical preservatives, using a combination of grapefruit seed extract and Japanese honeysuckle instead.

Body Lotion – Ideal for most skin types, this all over body lotion is irresistibly fruity as well as being excellent for your skin.

Massage Oil – A sensuous combination of essential oils combined with an exotic base of hemp and apricot kernel oil.

Deodorants – A combination of essential oils combined with aerobic oxygen, aloe vera and hemp seed oil makes these a superb choice for those seeking an effective deodorant free from aluminiums, petroleums, parabens and other unnecessary ingredients. Available in three flavours – Original (lavender), Cool (hyssop), and Neutral (unscented).

Salve – Similar to a healing ointment, rich in Hemp Seed Oil and also an array of healing herbs. Excellent for dry and damaged skin, nappy rash, eczema, psoriasis, etc.

PRODUCT INFORMATION

BODYCARE

For the Sun...

Sun Cream – This awesome lotion is made from plant extracts only, with all the best botanical extracts with known sun block properties combined in one lotion, to provide a low sunblock factor that is free from chemicals and minerals.

SPF 15 – An excellent plant based lotion with the addition of UVA and UVB protection makes this an ideal choice for the whole family.

SPF 30 – A massively popular product, reformulated this year to improve an already excellent formulation, which provides comprehensive UVA and UVB protection. Especially popular with families, children, and those with sensitive skin.

Aftersun – Rich in aloe vera and hemp seed oil and free from irritants and unnecessary chemicals makes this the ideal choice for those that love the sun but can sometimes over do it.
